To CVA Release Circular distribution; SVA Release Circular distribution
From ELEXON Project Delivery Team
Purpose For Information

Implementation of the June 2020 BSC Release

What is the purpose of this Circular?

This Circular confirms the changes that we will implement on 25 June 2020.

What changes will we deliver?

We issued a [Release Circular](#) in April, notifying you of the following scope of changes and a summary of their impacts.

Change Reference	Title
P371	Inclusion of non-BM Fast Reserve actions into the Imbalance Price calculation
CP1522	Updates to BSCP520 to align with working practices and UMSUG recommendations
CP1523	BSCP501 Amendments to clarify the D0312 process
P404	Moving the SAD to a Category 3 BSC Configurable Item
P392	Amending BSC Change Process for EBGL Article 18

The document impact matrix can be found on the [Release webpage](#).

The new versions of these amended documents and the BSC Baseline Statement will be available to download from various links available on the [BSC and Codes page](#) of the ELEXON Website.

They will be available from 25 June 2020, when they become effective.

Will there be any downtime?

There is no change to any of the BSC Systems and there will not be any downtime as a result.

Where can I find more information?

For more details, please visit the individual change pages on our Website, linked to in the table.
